

Use Discover Tool

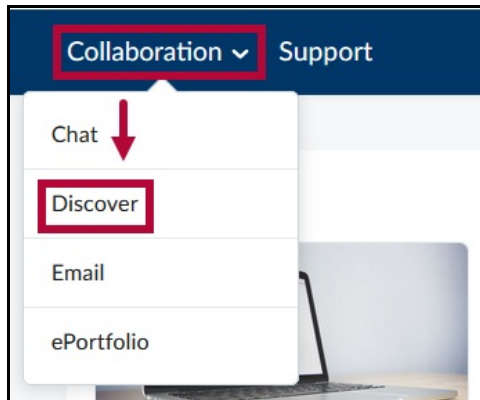

Last Modified on 01/13/2024 1:17 pm CST

Discover is a tool which allows students to self-enroll in **Community Groups** in D2L. Any Student can freely enroll or unenroll themselves from any Community Group in the Discover tool without needing to be added or approved by the owner of the Community Group.

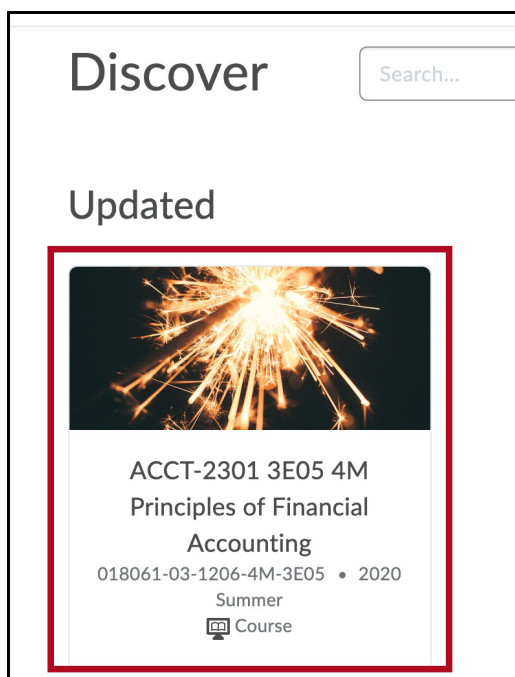

Use the Discover Tool to Enroll in Courses

1. On the **D2L Homepage**, from the **Navbar** → **[Collaboration]** → **[Discover]**.

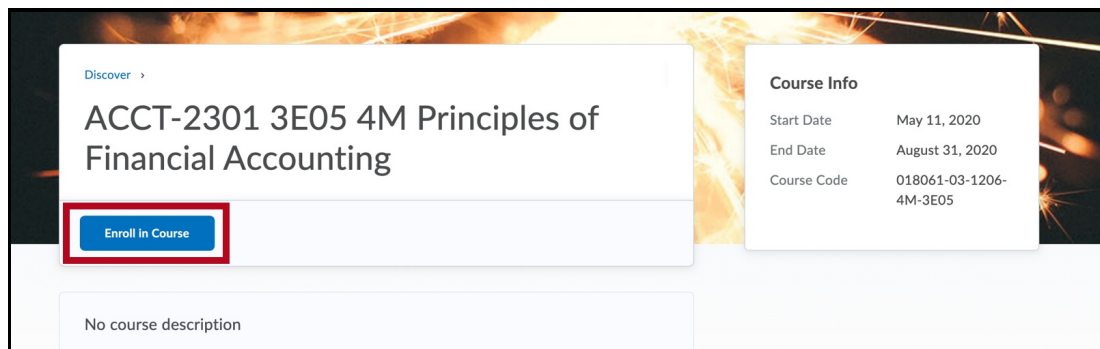

NOTE: When attempting to access **Discover**, please make sure you are **NOT** within a course. You must be on the **D2L Homepage**, the same page where you can see your **Course List**.

2. A list of courses that are available for self-enrollment will appear. Click on the course you would like to enroll in. You can also use the **[Search]** bar to search for a specific course.

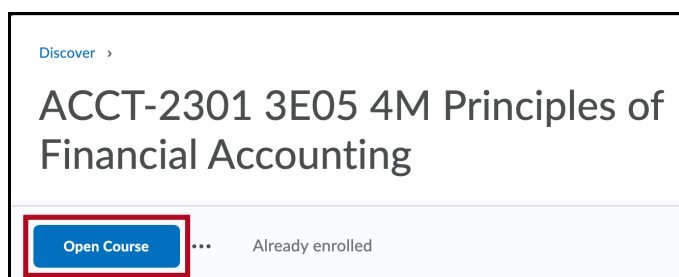

3. You will see the tile of the course and information about the start and end dates. Click **[Enroll in Course]** below the title to **Enroll**.

4. You will see a pop-up message confirming that you have enrolled. Click **[OK]**.

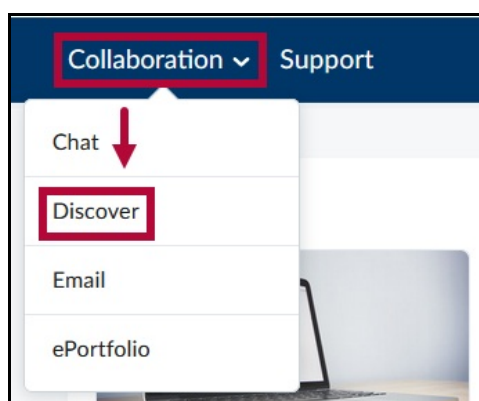

5. Click on **[Open Course]** to enter the course you've just enrolled in.

Use the Discover Tool to Un-enroll in Courses

1. On the **D2L Homepage**, from the **Navbar** → **[Collaboration]** → **[Discover]**.

2. On the **Discover** page, click **[Browse all Content]**.

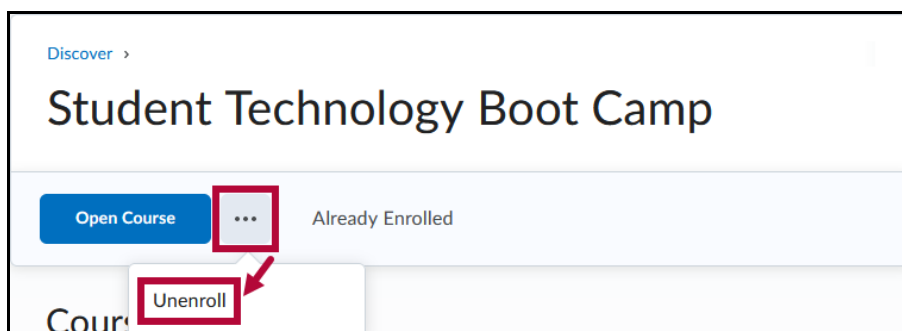

3. Click **[Sort]**, and then select **[Already Enrolled]**.

4. Choose the Discover course you wish to **un-enroll** in.

5. Click the **[...]** button, then click **[Unenroll]**.

6. You will receive a confirmation message that your unenrollment is complete.

NOTE: You can **re-enroll** in any Discover course you un-enroll from.
