About the D2L Student Training

Students who are taking **any** fully online or hybrid courses are required to complete the **D2L Student Training**. They must pass the cumulative quiz, with a score of **80% or better**, before they can access their online or hybrid courses. Students who have not successfully completed the training have a "hold" on their D2L account – the hold is released when the **D2L Student Training Quiz** is completed with an 80% or better score.

> **NOTE:** Students can retake the quiz repeatedly until they attain a score of **80% or better**.

Once your training quiz is completed with a score of 80% or better, your completion certificate appears as an Announcement and the hold is released.

What Is the D2L Student Training?

A short D2L training (about 1 hour) that prepares students to understand:

- What is different about taking courses online versus in the classroom.
- How to use and navigate D2L.
- How to access course content and submit coursework in D2L.
- How to be successful when taking classes online.

Who Should Complete the D2L Student Training?

- All students enrolled in fully online and hybrid courses are required to complete the **D2L Student Training** before being able to access their courses in D2L.
- The **D2L Student Training** is designed for quick completion—usually in less than an hour.

How Does the D2L Student Training Work?

To access the **D2L Student Training**:

1. Login to myLoneStar (https://my.lonestar.edu/) and click on the **[LSC Online]** tile.

2. Click on the **[Brightspace D2L]** tile. The **D2L Homepage** will open in a new tab.

3. You will be on your **D2L Homepage**. On your course list, click on the **[D2L Student Training]** tile.

4. On the course homepage, click **[Content]** and follow the on-screen instructions to begin the D2L Student Training process.

5. Work through the material in the D2L Student Training through the navigation: **[Start Here: D2L Student Training]** -> **[D2L Lesson]**. Click **[D2L Student Training Quiz]** to access the training quiz after you are finished with the lesson.

> **NOTE:** After you successfully score an **80% or higher** on the quiz, you will be able to access your courses **on or after the course start date**. You will **NOT** be able to access your D2L course before the course's start date.

Welcome! Students who are taking any online or hybrid courses are required to complete the **D2L Student Training** course. Access to content and course materials is restricted in online and hybrid courses until successful completion of this D2L training course. Once you complete the training course, you will not be required to complete it again unless there is a major change to the course delivery system.

To successfully complete the D2L Student Training:

1. Review the **D2L Lesson**.
2. Take the **D2L Student Training Quiz** and earn a passing score of at least 80%.

Once you have received a passing score on the quiz, you should be able to access the content in your online and hybrid courses.

If you experience technical issues, use the Support link in the navbar, or contact the Service Desk by email, chat, or phone (866-614-5014).

Accessibility (Disability) Statement

Lone Star College recognizes that all students have unique learning styles, in addition to varying backgrounds and abilities. Lone Star College aims to create accessible online learning; meaning an online environment where the greatest number of students can learn, with the least need for adaptations. If you have questions about accessibility issues in this orientation or other online courses, please contact the Disability Services Office where you are receiving your degree. Contact information for Lone Star College Disability Services Office is found on the college's Accessibility Services and Resources webpage as well as the Campus Contacts page.
