

Account Restrictions or Holds

Last Modified on 08/13/2018 1:32 pm CDT

There may be holds on your account preventing you from registering for a class. Click on "**details**" for instructions.

Following is a list of some possible holds:

Business Office Hold

A business office hold has to do with funds. You will need to contact the business office:

<http://www.lonestar.edu/lsc-business-offices.htm>

Online New Student Orientation

All first time in college students are required to complete a New Student Orientation. (This orientation is different from the [Brightspace Student Orientation for Online Courses](http://vlac.lonestar.edu/help/student-orientation-for-online-courses) (<http://vlac.lonestar.edu/help/student-orientation-for-online-courses>) .) The New Student Orientation is designed to assist students with understanding college life, being a successful college student, and where to find the college's policies.

Student Success Course (EDUC-1300) Required

Effective Fall 2012, First Time in College students are required to take this course. Non-degree seeking students are not required to take this course.

Bacterial Meningitis Vaccination

Effective November 1, 2012, Texas law requires incoming college students to be vaccinated against bacterial meningitis or provide an exemption request declining the vaccine. Senate Bill 1107 amends the Texas law, requiring proof of vaccination at least 10 days prior to attending class. Class registration is blocked for LSC students until compliance with the bacterial meningitis vaccination requirement is documented. Confirm your compliance status by signing into myLoneStar.

Refer to the bacterial meningitis [Vaccination Compliance Steps](http://www.lonestar.edu/vaccination-compliance-steps.htm) (<http://www.lonestar.edu/vaccination-compliance-steps.htm>) for more information.
