

View Grades and Feedback for a Quiz

Last Modified on 04/23/2026 3:06 pm CDT

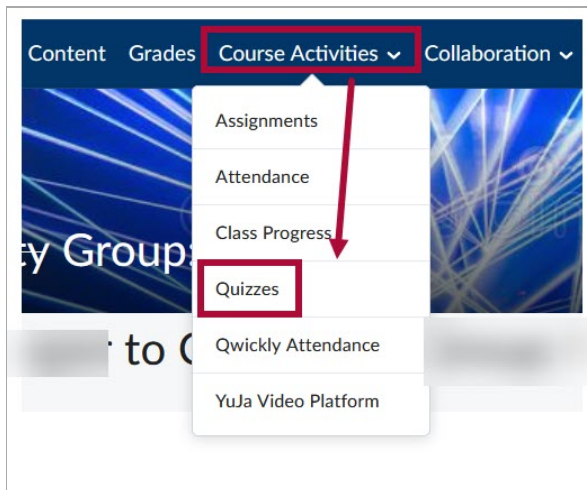

This article outlines how students can access their quiz grades and feedback in D2L Brightspace. It explains where students can view their scores, responses, and any comments provided. The level of access students have after completing a quiz depends on the **Submission View Settings** configured by the instructor.

▶ Show Video Walkthrough

View Quiz Grades and Feedback

From Quizzes

1. Go to the **Navbar** and click on **[Course Activities]** → **[Quizzes]**.

2. Click on the [↓] next to the name of the quiz and select **[Submissions]**.

3. You can view your quiz score on the **Quiz Submissions** page. The score for each attempt is to the right of each attempt.

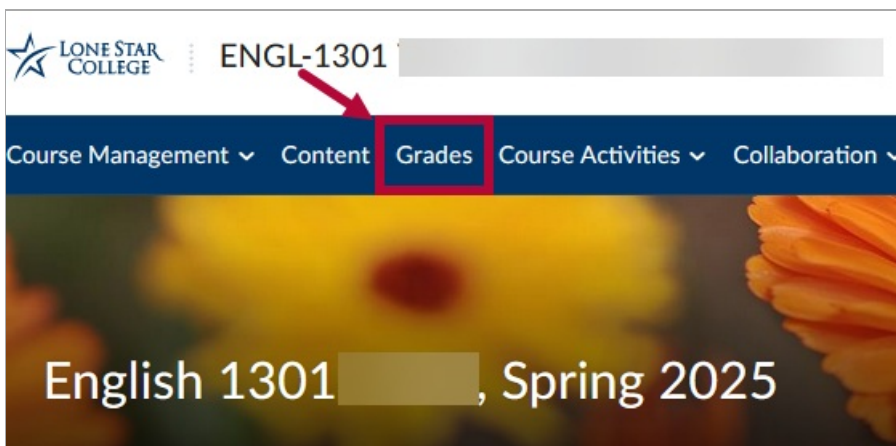

Individual Attempts	Score
Attempt 1 	83.33 %
Overall Grade (highest attempt):	83.33 %

4. View your answers and feedback as released by your instructor by clicking on **[Attempt #]**.
5. Feedback that applies to the entire quiz is found at the top of the quiz under the title **Attempt Feedback**.
6. Click **[View Feedback]** to view feedback for an individual question. If there is no **[View Feedback]** link, there is no feedback for that question.

From Gradebook

1. Go to the **Navbar** and click on **[Grades]**.

2. You'll be able to see your **Grade** and **Overall Feedback** on this page. Click on **[View Quiz Attempts]** to go to the **Quiz Submissions** page.

Grades Print

Grade Item	Points	Grade	Comments and Assessments
Test 1	100 / 100	100 %	Overall Feedback Good work!

[View Quiz Attempts](#)

3. Once you are on the **Quiz Submissions** page, it will be the same as steps 3-6 above.

NOTE: Grades and statistical information are not available until they are released or published by the instructor. Contact your instructor if you are not able to see your grade or feedback.
