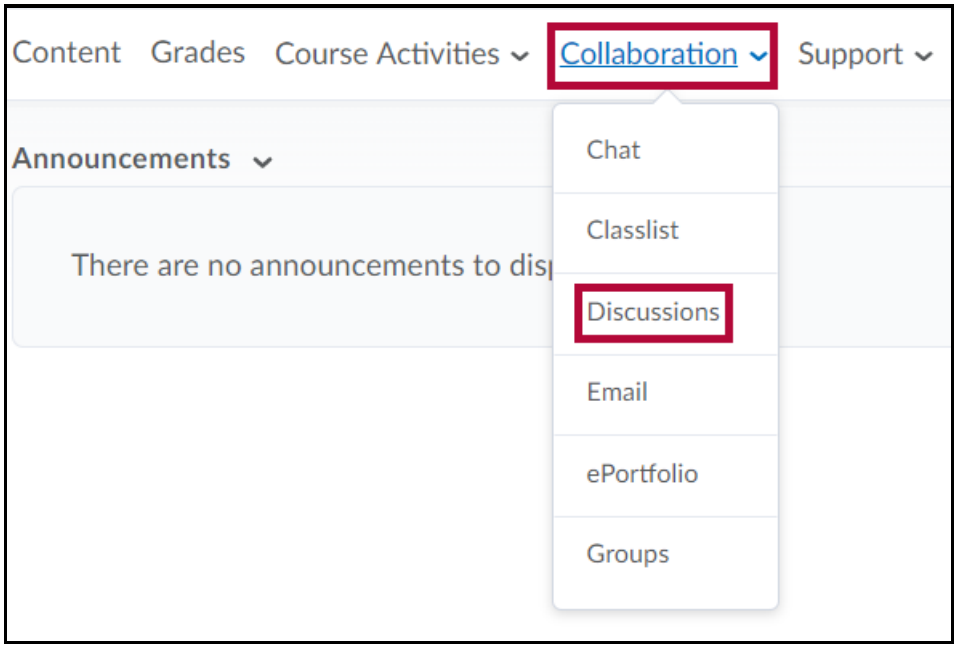
Threaded and Unthreaded Posts

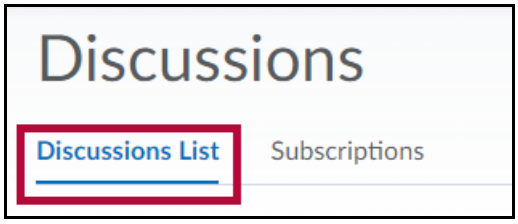
Last Modified on 04/08/2022 12:42 pm CDT

Discussions Settings

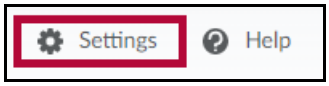
1. Click on **Collaboration** on the navbar and select **Discussions**.



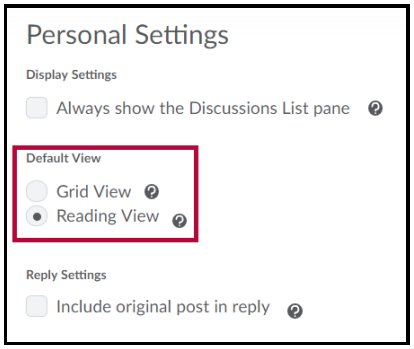
2. The Discussions List screen appears.



3. Click on the **Settings** button in the top right corner of the screen.

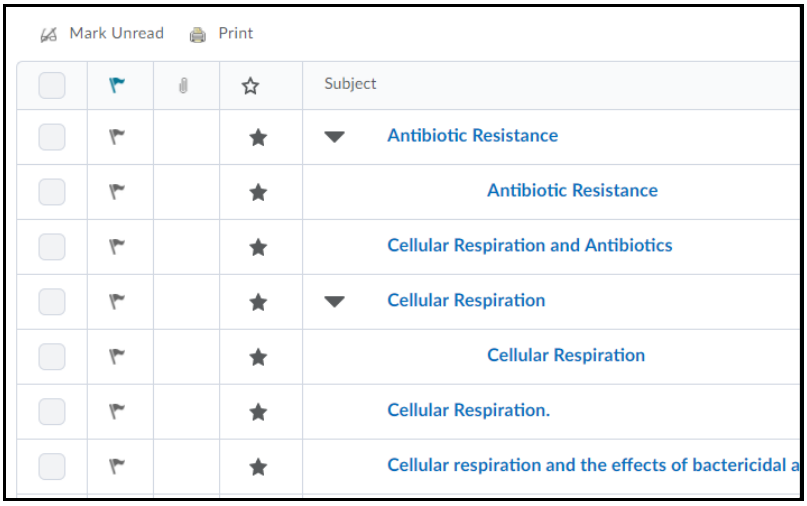


4. In the Default View section select **Grid View**.



Threaded Posts

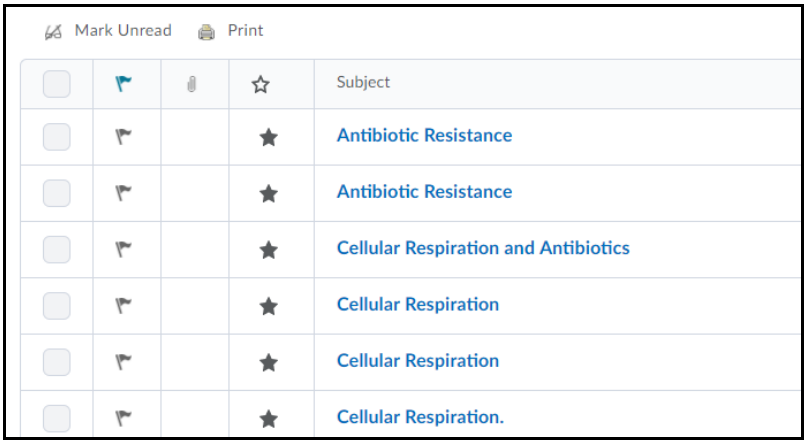
Threaded posts allow you to see a list of posts nested according to the thread they are related to if you are in Grid



view.

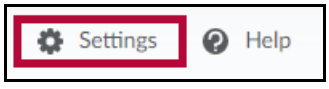
Unthreaded Posts

Unthreaded posts allow you to see the posts in chronological order if you are in Grid view.



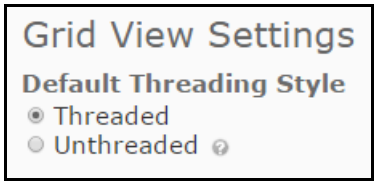
Discussion Settings

1. Go to **Settings** in the upper right on the Discussions list.



2. In the Personal Settings, Default View section choose **Grid view**.

3. In the Grid View Settings section choose the **Threading** style.



4. Choose your preferred settings, then click **Save**.(not shown)
