

# Join a WebEx Meeting

Last Modified on 03/28/2026 2:14 pm CDT

When an instructor schedules a **Webex** meeting, they put a link on the **Content** page or send an email invitation with the information on how to join.

Walkthrough**

## Join a Meeting from D2L Content

1. Click on the **[Webex link]** in the content module.

2. The Meeting Information page appears.
  - If a meeting password is required, it should be included in the link description. Contact your instructor if you cannot find it.
  - [View this video \(https://youtu.be/ru85544RveA\)](https://youtu.be/ru85544RveA) for more information about joining and navigating a Webex meeting.

## Join a Meeting from an Email message

1. Open your invitation or registration confirmation email message and then click the link to join the meeting.
2. The Meeting Information page appears.
  - If a meeting password is required, it should be included in the link description. Contact your instructor if you cannot find it.

## Joining the Meeting

**NOTE:** If the meeting has not started, and attendees are not allowed to join before the host, the **Join Meeting** fields will be inactive.

1. Under **Join Meeting Now**, enter your name, email address, and the meeting password. Your email address and meeting password may be automatically populated.
2. Click the **[Join]** link to the meeting you want to attend. The Meeting Information page appears. Address and meeting password may be automatically populated depending on meeting and site settings.
3. Click **[Join Now]**.
