

Print Discussion Posts and Threads

Last Modified on 11/12/2021 8:12 am CST

If you wish to print out your discussion threads or posts, the process varies depending on which browser you are using.

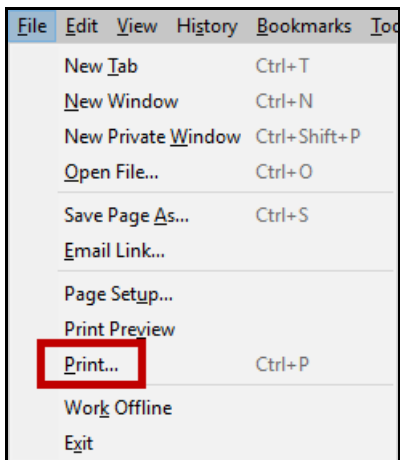

Printing in Chrome

1. Right-click on the page.
2. Choose **Print** from the menu.

Printing in Firefox

1. Select **Print** from the File menu

Printing in Safari

1. Select **Print** from the File menu
