

View Grades and Feedback on an Assignment

Last Modified on 12/14/2021 7:56 am CST

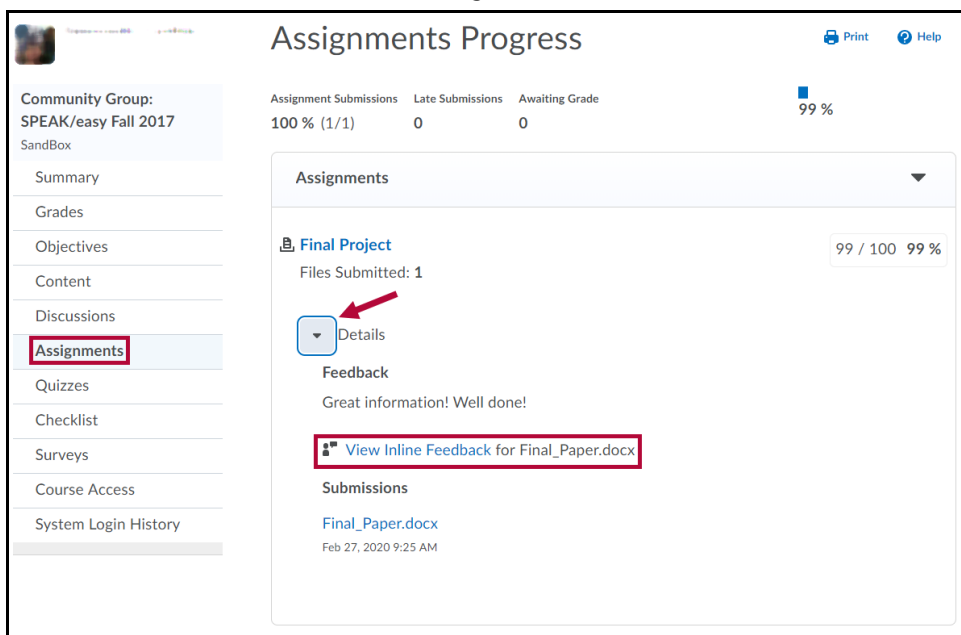

Assignment feedback can be viewed through Class Progress, Grades, and within the Assignments list.

Class Progress

1. Click **Course Activities** on the navbar and select **Class Progress**.

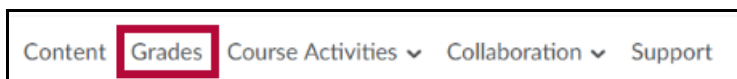

2. Click **Assignments** under the table of contents on the left side of the page.
3. Click the arrow to view details for each assignment you have submitted.
4. Click the link to view feedback for that assignment.

Grades

1. Click **Grades** on the course's navbar.

2. Click the link in the **Feedback** column to view feedback for a specific assignment.

Grades Print

Grade Item	Points	Grade	Feedback
Final Paper	99 / 100	99 %	Great information! Well done! View Inline Feedback for Final_Paper.docx

Assignments

1. Click **Course Activities** on the navbar and choose **Assignments**.

Content Grades **Course Activities** Collaboration

- Announcements
- Assignments**
- Attendance
- Class Progress
- Quizzes

2. On the Assignment Submission Folders page, find the assignment you're looking for and click **Unread** (or **Read**) in the Evaluation Status column to access the grade and any written feedback for a submission.

Assignments Help

View History

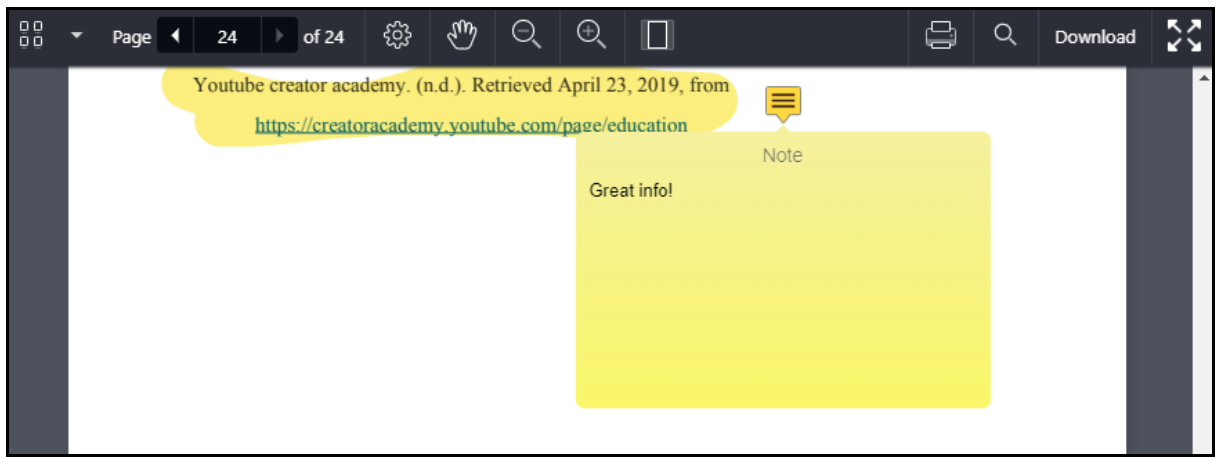

Folder	Completion Status	Score	Evaluation Status	Due Date
No Category				
Final Project	1 Submission, 1 File	99 / 100 - 99 %	Feedback: Unread	

3. Click the link to **View Inline Feedback**.

Folder
Final Project

Submission ID	Submission(s)	Inline Feedback	Date Submitted
4085093	Final_Paper.docx (298.65 KB)	View Inline Feedback	Feb 27, 2020 9:25 AM

4. Scroll through your paper and review any annotations left by your professor.
