Last Modified on 04/25/2022 9:07 am CDT

Instructors have the option of dropping a number of grades in a specific category. If you see the word "Dropped!" in place of a grade in your Grades list, do not worry. This means that your instructor is dropping one or more grades in that category.

An instructor may give 7 Projects and drop the lowest 2 as in the example below.

Grade Item	Points	Weight Achieved	Grade
Projects		33.38 / 40	
Project 1		5 / 5	100 %
Project 2	98 / 100		
TP Assignment 1		0 / 0 Dropped!	25 %
TP Assignment 2		0 / 0 Dropped!	0 %
TP Assignment 3		4.95 / 5	99 %
TP Assignment 4		4.25 / 5	85 %
