

Increase Readability Using Your Account Settings

Last Modified on 08/26/2024 2:17 pm CDT

You can increase the readability of D2L pages and tools by modifying your **Account Settings**. Changing your account settings allows you to customize many of your viewing options within D2L.

1. Click on **[Your name]** in the **Minibar**.
2. Choose **[Account Settings]**.
3. Under **Font Settings**, choose the font and size that you prefer.
