

Increase Readability Using Your Account Settings

Last Modified on 09/17/2021 8:37 am CDT

You can increase the readability of D2L pages and tools by modifying your Account Settings. Changing your account settings allows you to customize many of your viewing options within D2L.

1. Click on your name in the Minibar.
2. Choose **Account Settings**.
3. Under Font Settings, choose the font and size that you prefer.
