D2L Student Orientation for Online Courses

All online course activities like taking a quiz, turning in an assignment, and online discussions are done through Desire2Learn (D2L), LSC’s Learning Management System.

Students enrolled in online and hybrid courses are required to complete a D2L Student Orientation for Online Courses before having access to their courses in the D2L Learning Management System. (Students whose Spring 2020 courses have been converted to a fully online format are not required to complete the Student Orientation for Online Courses. However, it is strongly recommended that students complete the orientation to familiarize themselves with D2L.)

In D2L, you will find the orientation listed in your course list.

To access the D2L Student Orientation for Online Courses:

- Login to myLoneStar (https://my.lonestar.edu/)
- Click on the LSC-Online tile.
- Click the tile entitled Student Orientation for Online Courses (the image may vary) in the My Courses area.

You may also click the Select a Course icon in the Minibar and select the Online Student Orientation.
Online Tutoring

Students taking online and hybrid courses at Lone Star College can access the online tutoring center, writing lab, and study center from the myLoneStar portal. Online tutoring is available 24/7 with access to practice quizzes, flashcards, an online writing center, and more.

If you are eligible for online tutoring, you will access through the LSC-Online tile:

1. Login to myLoneStar
2. Click on LSC-Online tile
3. Click Online Tutoring
