

Download Knowmia Videos

Last Modified on 10/26/2020 4:06 pm CDT

Your professor may have set up the Knowmia videos in your course to allow you to download them. If you download the videos, then you will be able to watch them at a later date even if you do not have an internet connection. If your professor has set this up, you can download the video by following the steps below.

Download Knowmia Videos

1. Access the Knowmia video in your course content.
2. Beneath the video, click the **More** link then click **Download**.

3. Your video will download to the default location for your browser.
