

Exempt Grades

A professor may choose to mark a grade as exempt rather than assign a zero or a grade. An exempt grade will not be counted in your final grade.

If your professor has marked a grade item as "Exempt," you will see the following on your Grades screen:

Grade Item	Points	Weight Achieved	Grade	C
Assignments		- / 10	-%	
Assignment #1 (<i>exempted</i>)	- / -	- / -	Exempt
