## Work To Do Widget

The **Work To Do** widget provides students a summary of assigned learning activities from all their courses that are overdue or have an upcoming due date.

The **Work To Do** widget displays the following learning activities:

- Assignments
- Checklists
- Content
- Courses
- Discussions
- Surveys
- Quizzes

If students have activities that are late or due, the widget displays the following:

The screenshot shows a 'Work To Do' widget with a dropdown arrow. It is divided into two sections. The first section is titled 'Overdue' with a red circle containing the number '3'. It lists three items: 'Romeo and Juliet Quiz' (due Jan. 15), 'Romeo and Juliet Book Report' (due Jan. 24), and 'Romeo and Juliet Class Discussion' (due Jan. 25). The second section is titled 'February 4 - February 18' with a red circle containing the number '10'. It lists three items: 'Algebra and Fractions Pop Quiz' (due Feb. 5), 'Class Feedback Survey' (due Feb. 10), and 'Canadian History and Global Fur Trad...' (due Feb. 10). At the bottom, there is a link that says 'View all work'.

If students have no activities late or due, the widget displays the following:

Work To Do ▼

**All Clear For Now!**

You have no activities with due or end dates available. Come back later to see if you have work to do.
