## Account Settings

1. To find Account Settings click on your name in the upper right of the window.
2. Then click Account Settings.

You may edit these default settings:

## Pronouns

- When enabled, your pronouns appear in your profile card.
- Allow others to see my pronouns

A screenshot of the 'Pronouns' settings form. The title is 'Pronouns'. Below the title is the text: 'When enabled, your pronouns appear in your profile card.' There are three radio button options: 1. 'Allow others to see my pronouns' (unchecked). 2. 'Use what my organization has on record: No pronouns set' (checked). 3. 'Use different pronouns:' (unchecked). Below the third option is a text input field. At the bottom of the form, it says 'Common pronouns include She/Her, He/Him, They/Them'.

## Font Settings

- Font Size
- Small Medium Large Huge

## Reading Content

- Some tools automatically mark content as read as you scroll it into view. If you use assistive technology such as a screen reader then you may wish to disable this feature by checking the box below. If so, select: Do not automatically mark items as read as the page scrolls.

## Video Settings

- This setting ensures assistive technologies can detect videos. As a consequence, videos will overlap menus. It does not influence the accessibility of specific players. You may wish to select: Optimize video presentation for programmatically-driven assistive technologies.
