

Record with YuJa Browser Capture Studio

Last Modified on 04/07/2026 12:01 pm CDT

▶ Show Video Walkthrough

1. From your D2L Course, click **[Course Activities]** -> **[YuJa Video Platform]**.

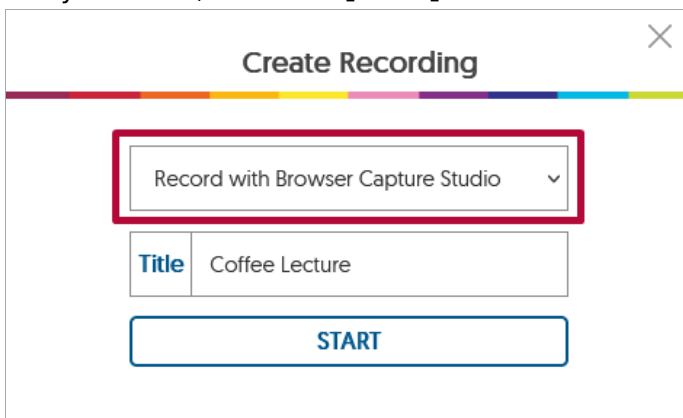

2. From the YuJa homepage, Click on **Create Recording** at the top of the page.

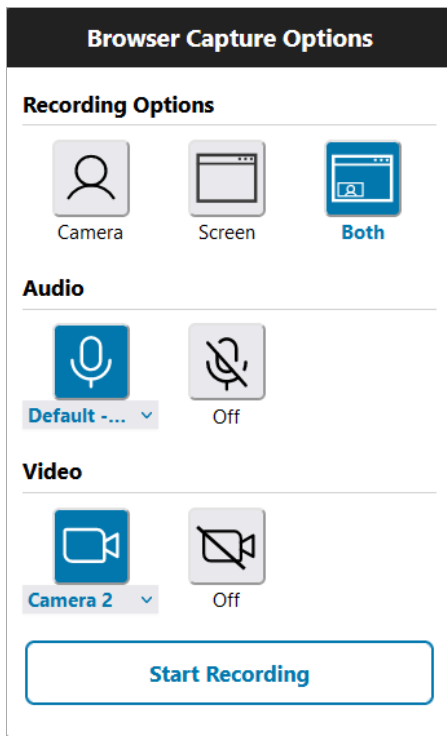

3. On the Create Recording window, use the drop-down menu to select **Record with Browser Capture Studio**.

Title your video, then click **[Start]**.

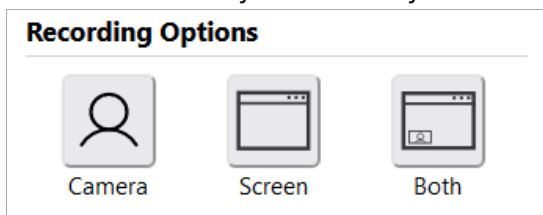

4. You will see **Browser Capture Options** on the left side.

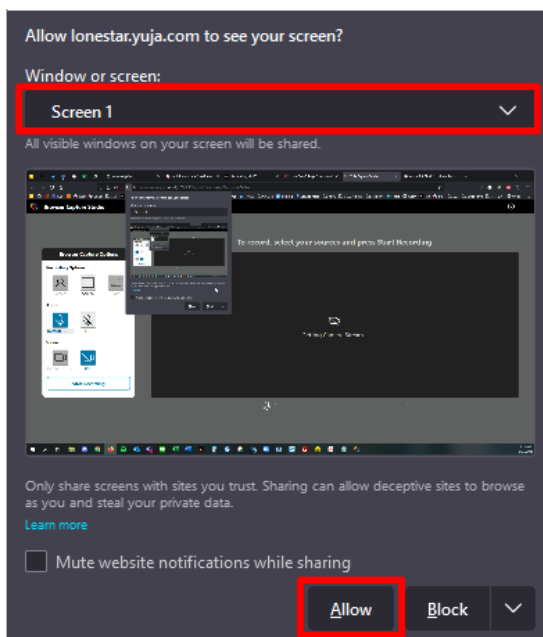

5. **Recording Options:** You can configure your recording options between **Camera**, **Screen**, or **Both**.

This is the video layout of what your students will see.

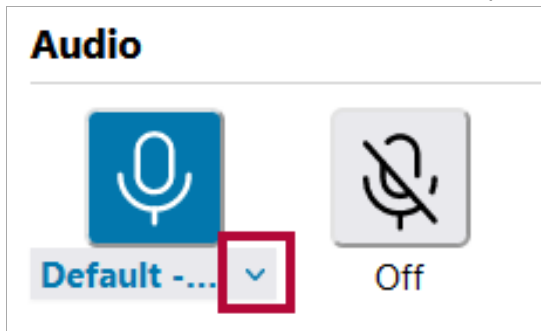

Make sure you choose the correct screen, window, or application for where you want to record from. Click on **Allow**.

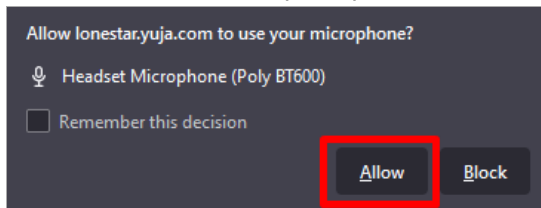

6. **Audio:** Configure your **Microphone** here through the drop-down menu.

Be sure to choose the correct audio input device for your device.

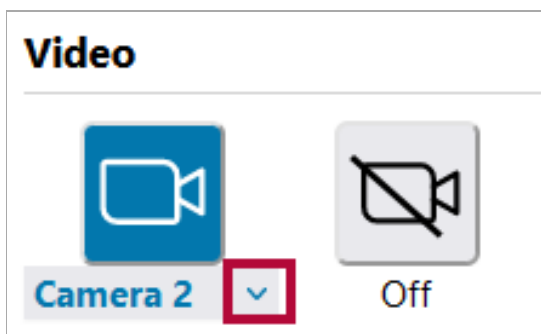

Click on **Allow** on the prompt below.

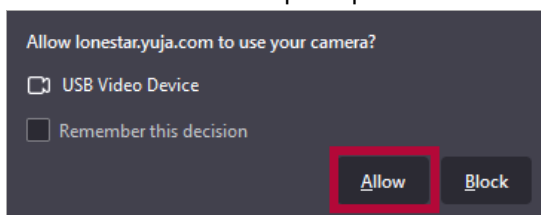

Verify that the audio bar below the video panel is detecting sound, you should see a fluctuating blue meter reacting to your voice.

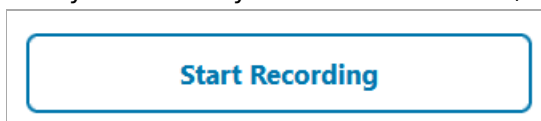

7. **Video:** Configure your **Face Camera** here through the drop-down menu. Be sure to choose the correct **Webcam** for your device.

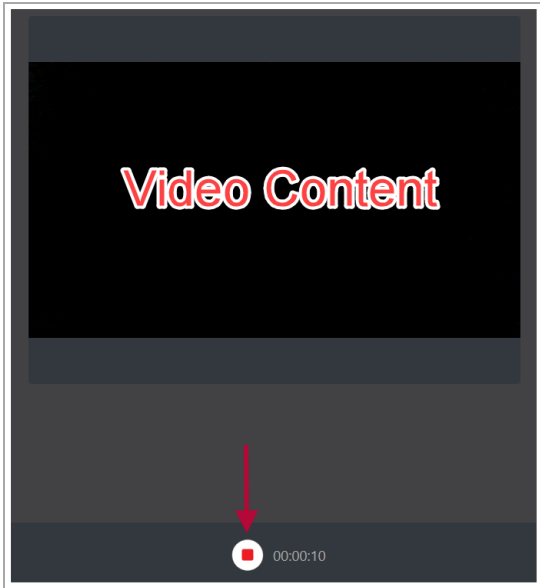

Click on **Allow** on the prompt below.

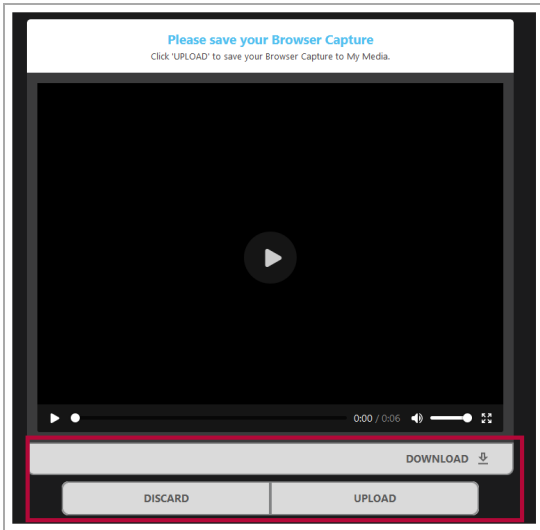

8. After you have all your sources selected, click **[Start Recording]**.

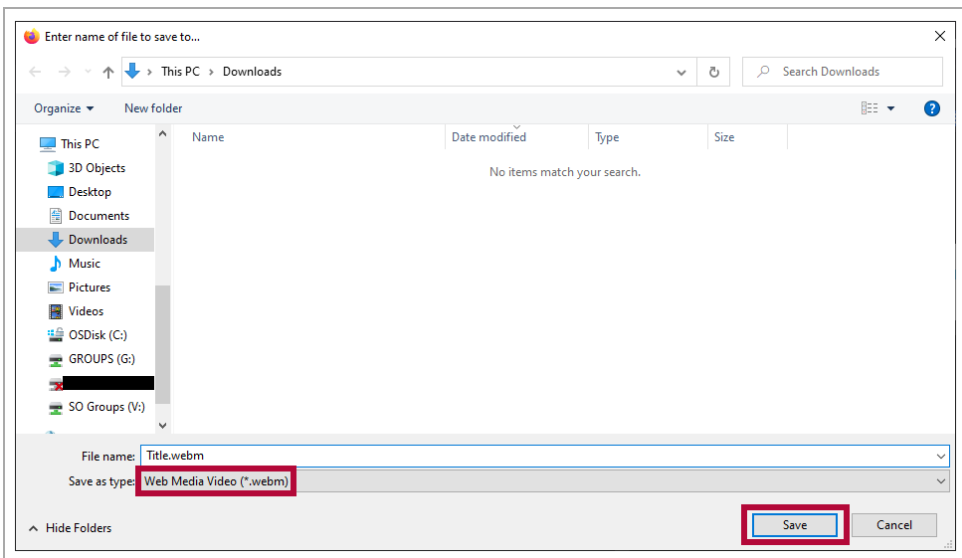

9. When your recording is completed, click **[Stop]** located at the bottom.

10. When finished, you will see **[Download]**, **[Upload]**, and **[Discard]** below the panel.

[Download] will prompt you to save the file onto your device. The file will be saved in **Web Media Video (.webm)** format.

[Upload] will upload the video to your **YuJa Media Library**.

The screenshot shows a web-based media library interface. At the top, there is a dark red header with the text 'Media Library' on the left and 'Manage Media' and 'Create Recording' on the right. Below the header is a search bar and a row of action buttons: 'NEW FOLDER', 'UPLOAD', and 'MORE ACTIONS'. The main content area is divided into 'PERSONAL' and 'SHARED' sections. Under 'PERSONAL', there is a sidebar with 'My Media' selected, and a main area showing two folders: 'Lectures' and 'Default Collection'. Below these folders, two video thumbnails are displayed. The first thumbnail, titled 'Coffee Lecture', is highlighted with a red rectangular box, and a red arrow points to it from below. The second thumbnail is titled 'My Event on Thursday, June 16, ...' and has a duration of '00:24'. The 'SHARED' section on the left lists 'EnterpriseTube', 'Shared Folders', 'All Channels', and 'User Collections'.
