Insert Yuja Video into an Assignment or Discussion

The following steps applies to both **Assignments** and **Discussions**:

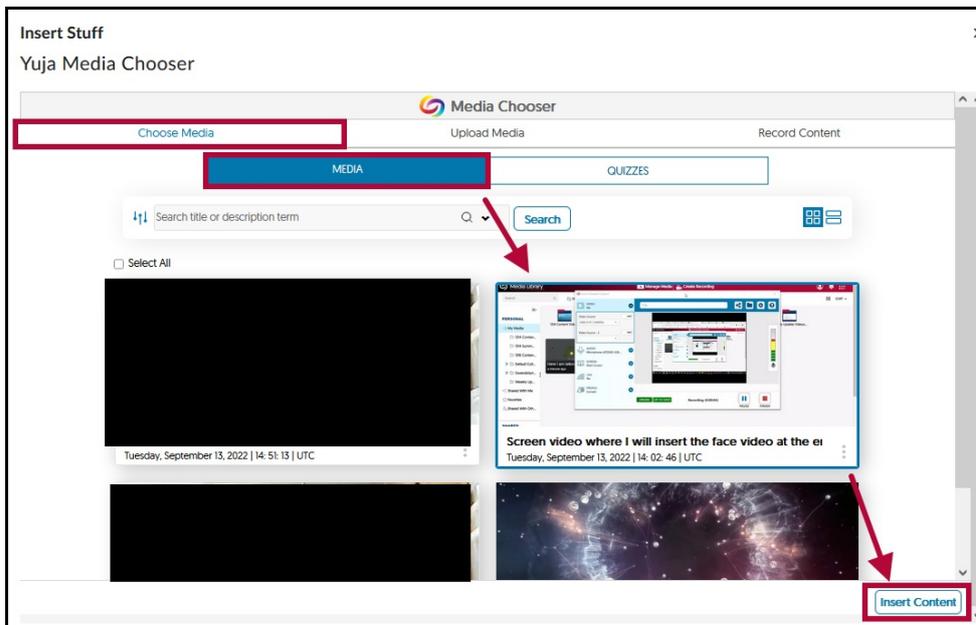

1. Under the **Submit Assignment** page, click on **[Insert Stuff]** located in the toolbar.

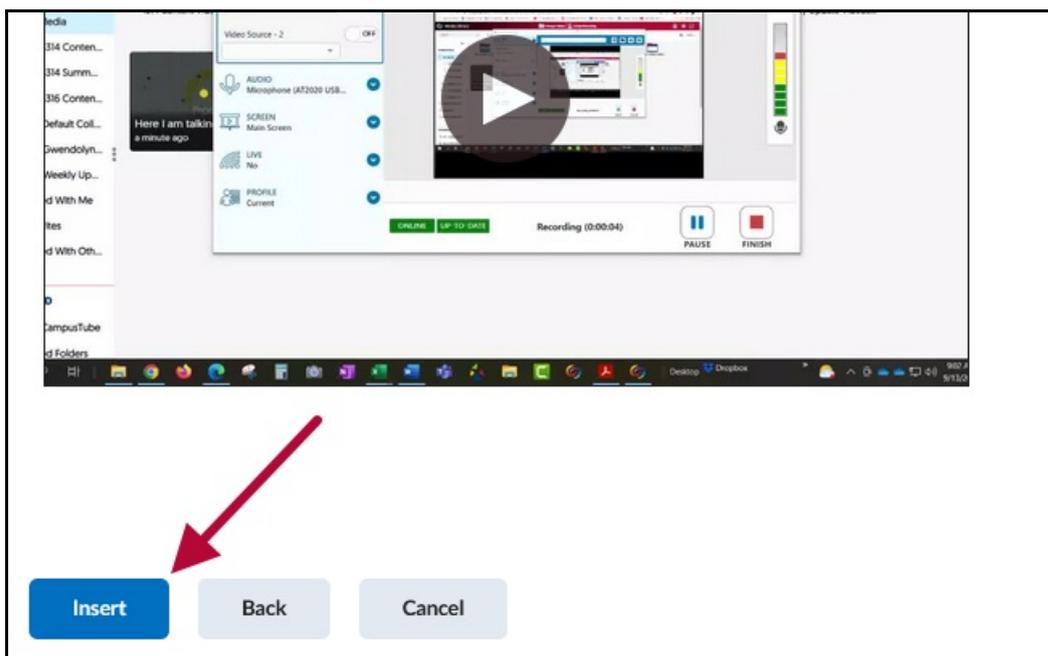

2. Click on **[Yuja Media Chooser]**

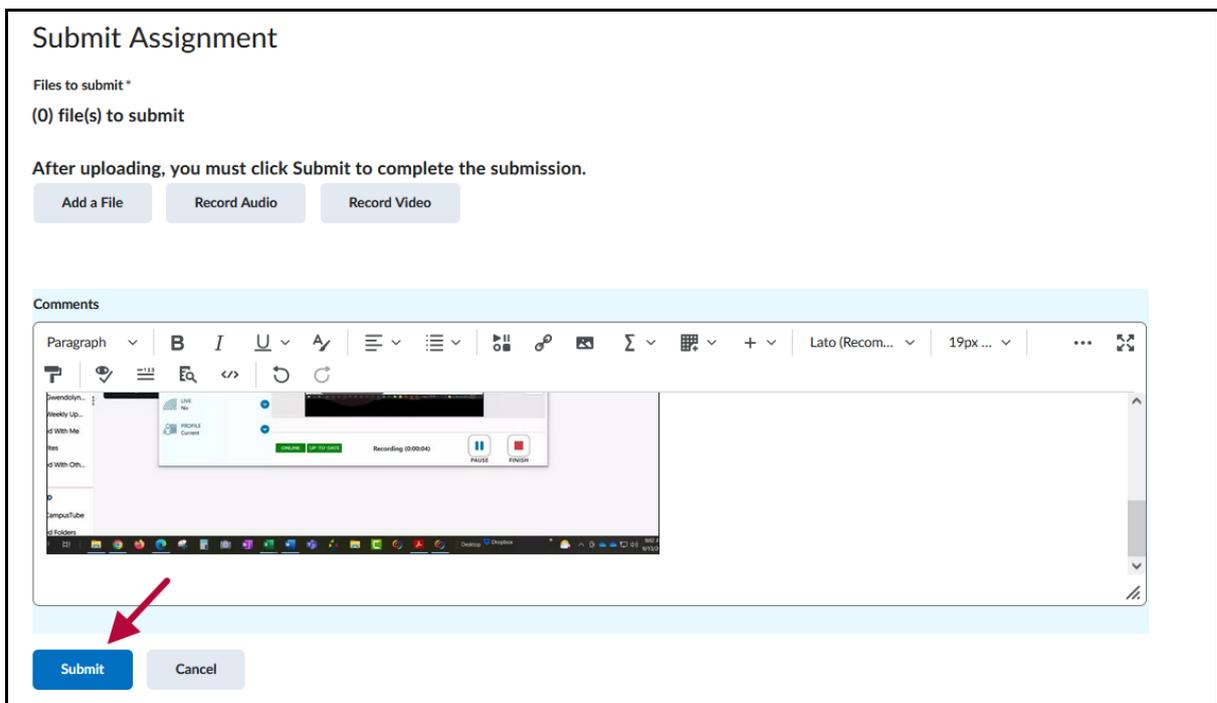

3. **[Choose Media]** -> **[Media]** -> Select your video -> **[Insert Content]**.

4. You can preview your video on the next window, click on **[Insert]** when ready.

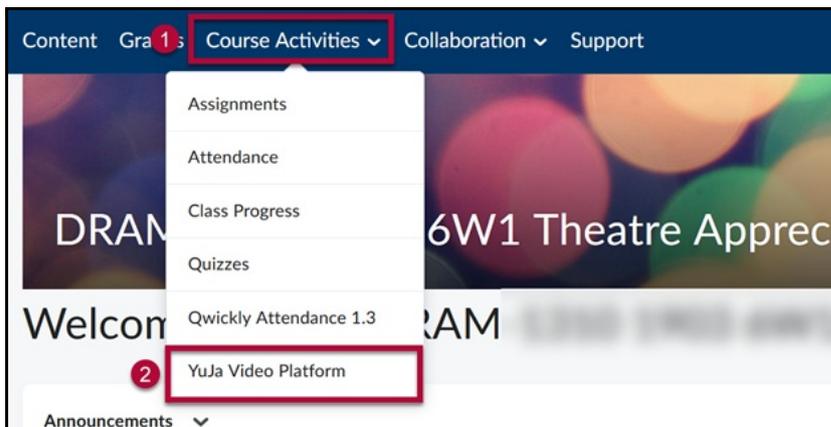

5. Back on the **Submit Assignment** page, the video will now be embedded in your assignment submission. Be sure to click on **[Submit]** to turn in your assignment.

Share a YuJa Video Link into an Assignment or Discussion

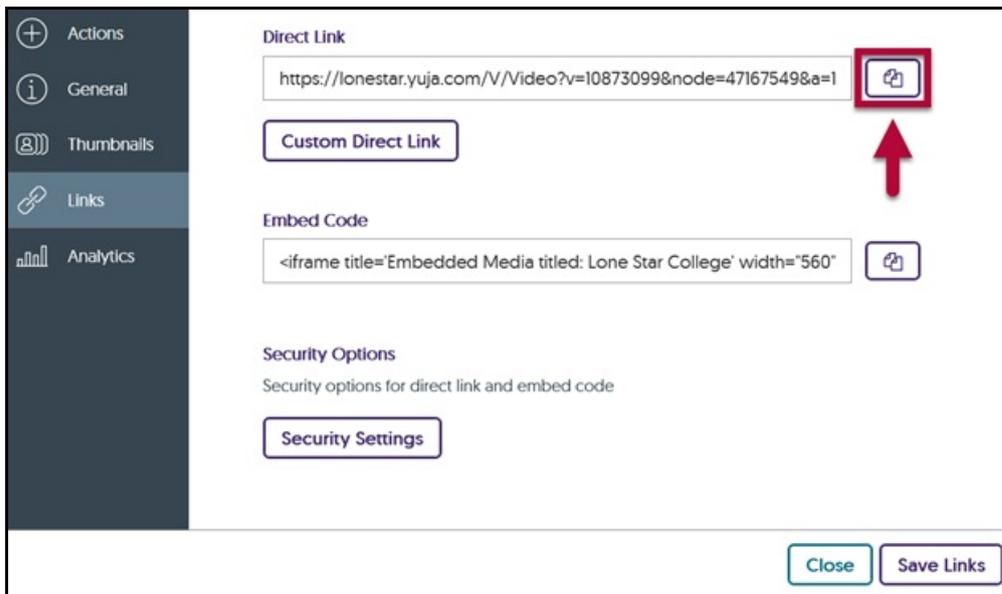

1. From your D2L course, click [**Course Activities**] → [**YuJa Video Platform**].

2. Mouse over your video, then click on [**More**].

3. Click on [**Links**] on the left, then click on the [**Copy icon**].

4. Back on the **Submit Assignment** page, paste the Yuja video link. Be sure to click **[Submit]** to turn in your assignment.
