Use IntelliWriter in D2L

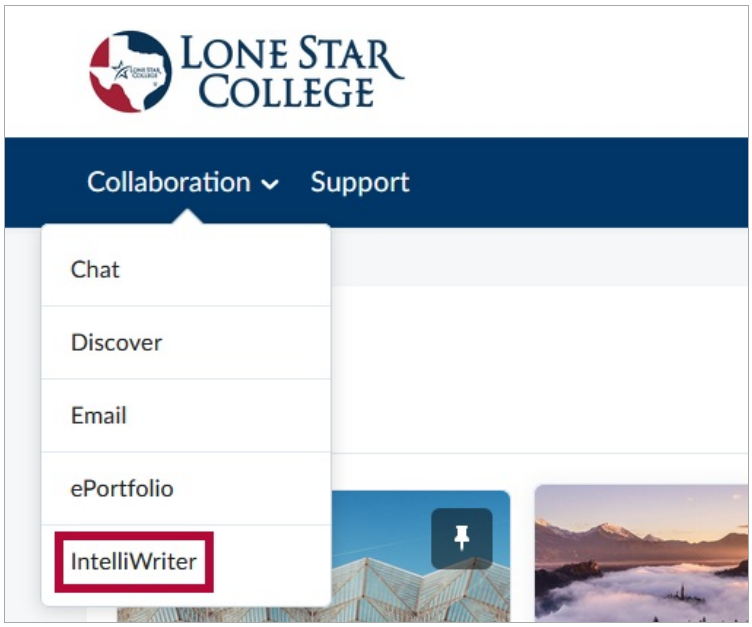

Last Modified on 10/26/2026 3:54 pm CDT

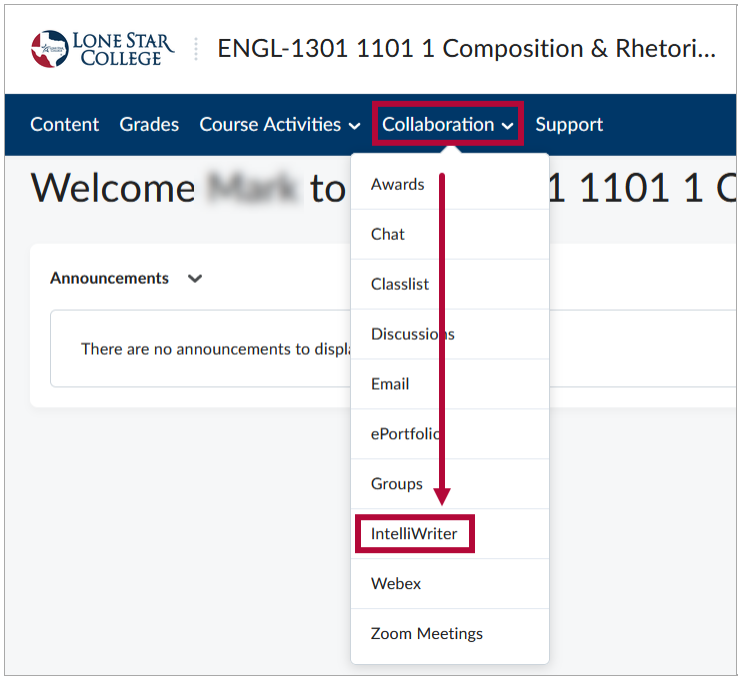

IntelliWriter is a tool designed for students to check their grammar in written assignments. You can upload various file types or type directly in the tool and format your work easily. The tool also provides helpful resources for improving writing skills and allows you to share your work through email.

Submit Work Directly to Class Assignments

Intelliwriter allows you to upload your assignment documents directly to your course assignment dropbox. The course assignment you wish to submit to must be open to appear as an option in Intelliwriter. To submit assignments directly to an assignment dropbox, do the following.

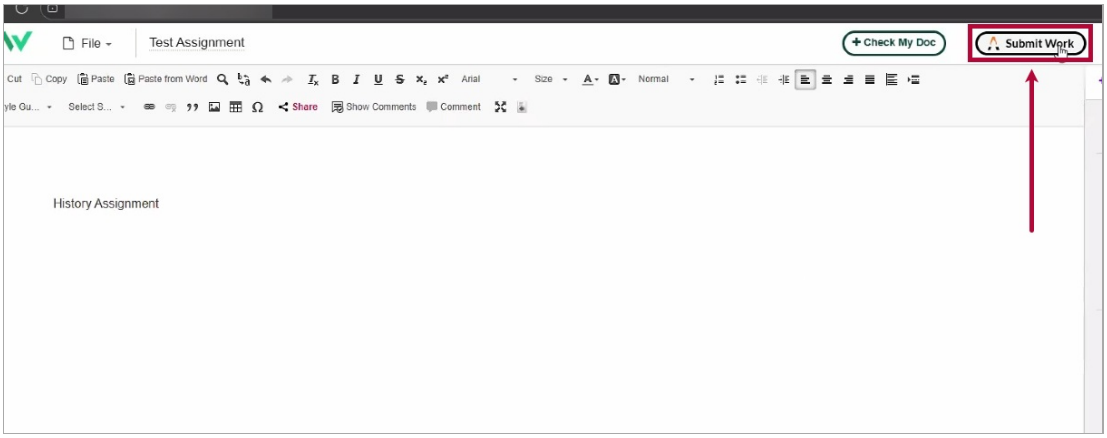

1. Save your Intelliwriter document by selecting **[File] → [Save As]**.

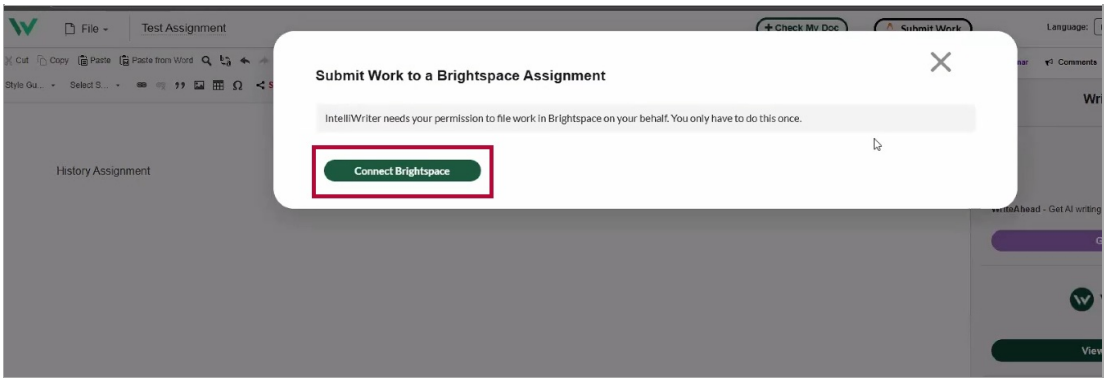

2. Enter a **Name** for your document and select **[Save]**.

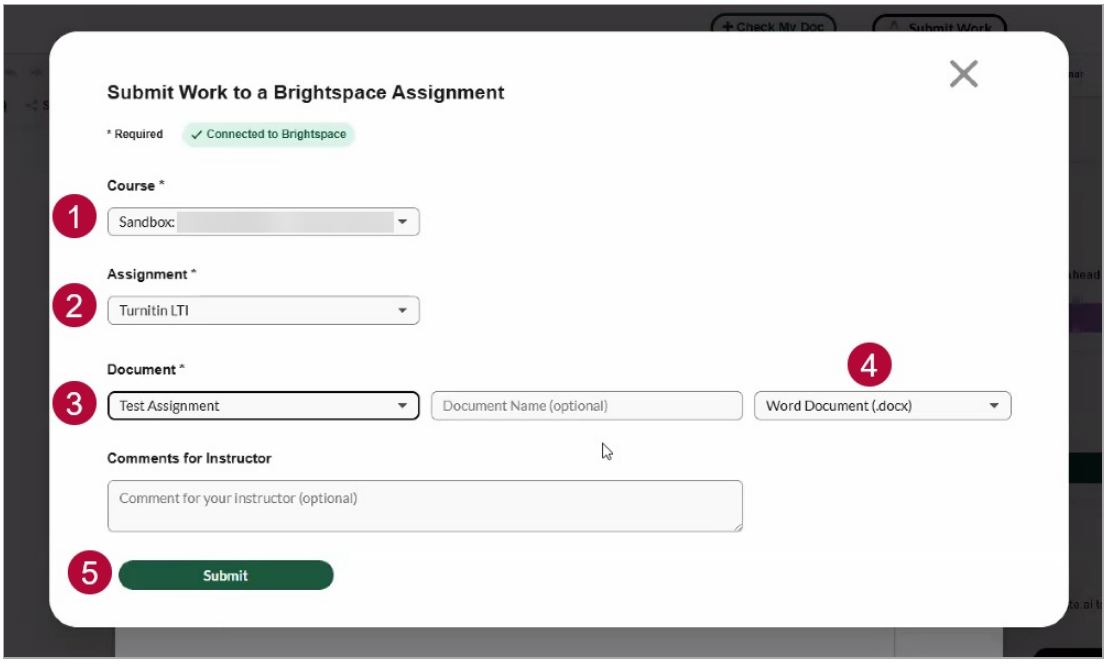

3. With the final draft of your document **Saved**, select **[Submit Work]**.

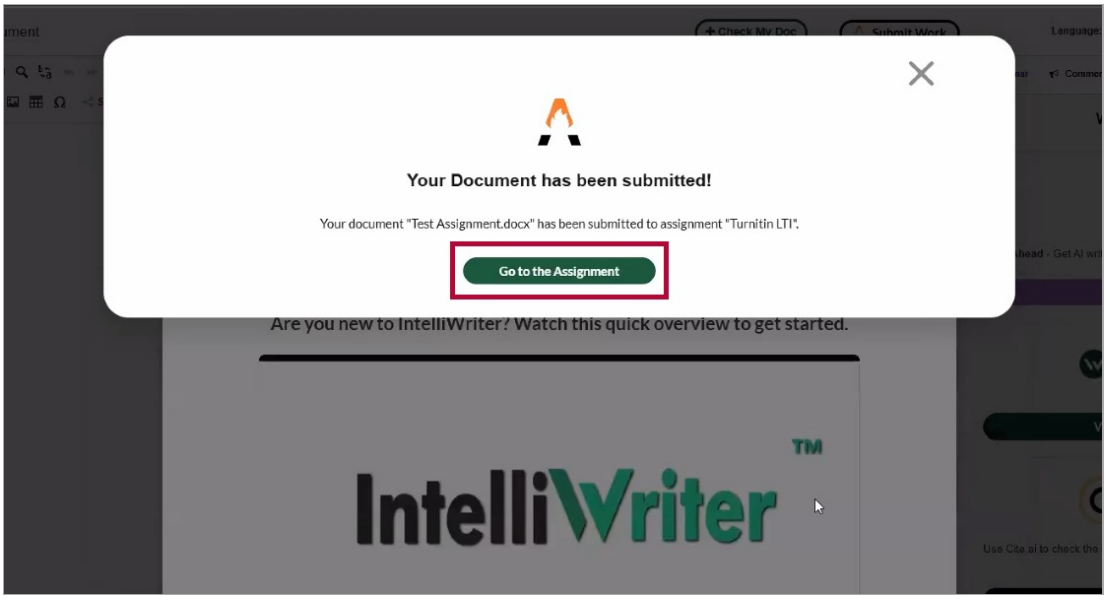

4. On the **Submit Work to a Brightspace Assignment** window, select **[Connect Brightspace]**.

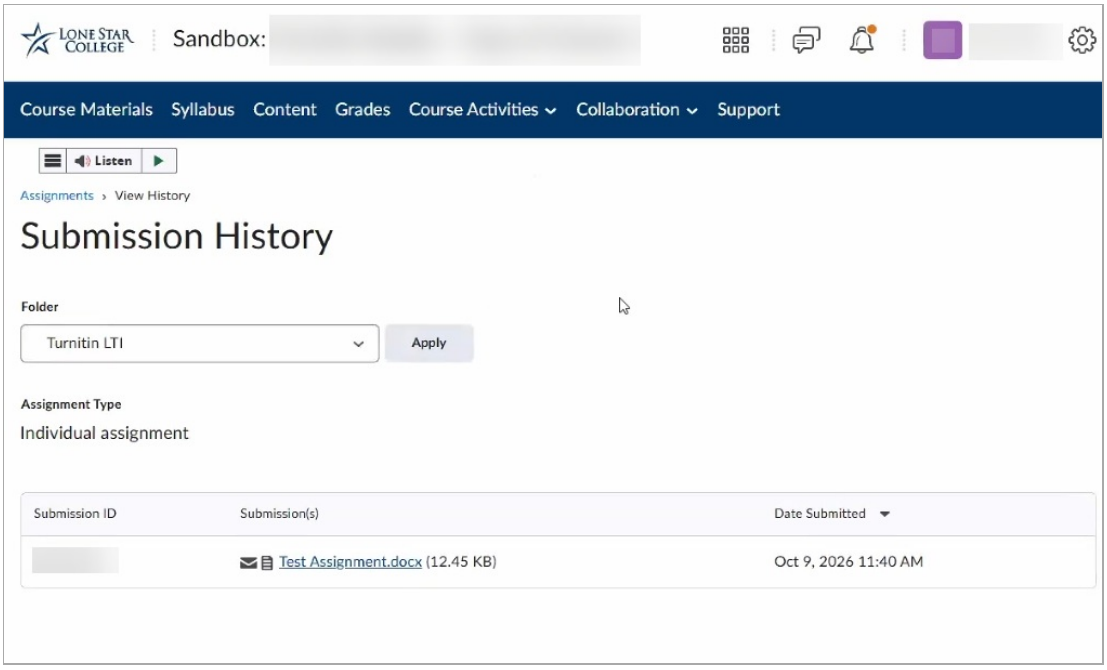

5. Using the dropdown menus, select your **Course**, course **Assignment**, the **Document** you wish to upload, the **File Type** you wish to upload, and enter an optional comment. When finished, click **[Submit]**.

6. If the assignment submitted successfully, you will see the confirmation message below. Select **[Go to the Assignment]**.

7. Your submitted assignment will appear under **Submission History** for the course assignment, as seen below.
