The **Microsoft 365 Widget** provides students with convenient access to their **Student Email** through **Microsoft 365** from within D2L.

Access the Microsoft 365 Widget from the Homepage

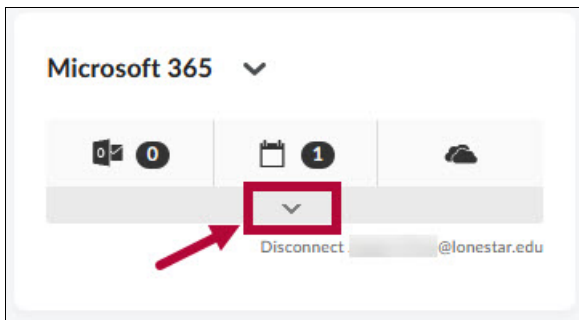

Show Video Walkthrough

1. On the **D2L Homepage**, the **Microsoft 365 Widget** will be located on the right of the page. Click on the grey **[Sign in to your Office 365 account]** button.

NOTE: If you are accessing the widget for the first time, and you are receiving an **Internal Error** here, **be sure to be logged into your LSC Outlook account on the same browser**. This will pair the widget with your course, and will only need to be done once.

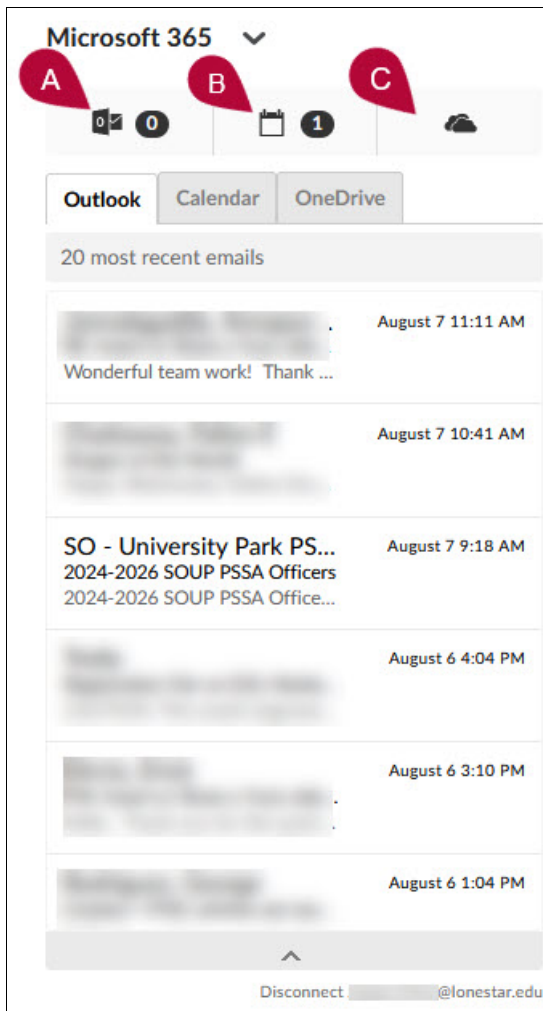

2. Once signed in, you will see the following window. Click on the **[Downward Arrow]** to expand the widget.

3. With the widget expanded, you'll see a preview of your Outlook recent emails. Clicking on the icons here will open up the corresponding Outlook webpage in a new tab. The marked icons are:

- A. **[Outlook]**
- B. **[Calendar]**
- C. **[OneDrive]**

4. Clicking on the **A) [Outlook]** **B) [Calendar]** **C) [OneDrive]** tabs will alter the contents of the widget itself.
