

# Post-December 2024: Send a Copy of Outgoing D2L Emails to Your Student Email

Last Modified on 12/10/2024 3:05 pm CST

Students using **D2L Brightspace** can set up automatic forwarding of outgoing emails to their **LSC Student Email** inbox. This article outlines the steps to streamline email records, keeping all communications accessible in one central location.

## Send a Copy of Outgoing D2L Emails to Your Outlook Inbox

1. From the upper right corner of any D2L page, click on **[Your Account Name]** → **[Account Settings]**.

2. Click on **[Email]** → Enable **[Send a copy of each outgoing message to John.Doe@lonestar.edu]**. This should be your **LSC Student Email** address. Click **[Save and Close]** when finished.
