Accessing Your Course Syllabus via Simple Syllabus

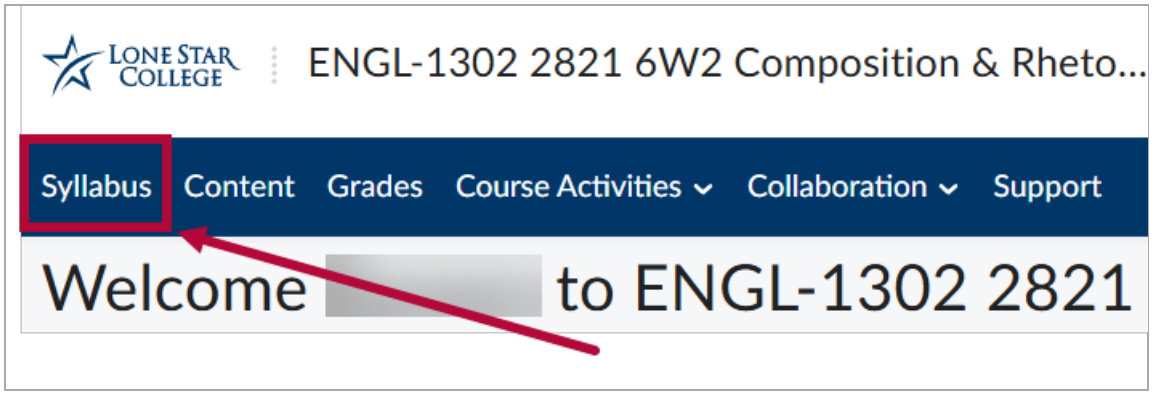
Last Modified on 01/13/2026 10:58 am CST

- If you have any questions about the content of your course syllabus, please reach out to your instructor by email.
- For technical issues with accessing Simple Syllabus, please contact the **Simple Syllabus Support Team** at help@simplesyllabus.com ().

The **Syllabus** link in D2L takes you to your course syllabus, which is hosted on the **Simple Syllabus** platform. It provides important details such as course expectations, instructor contact information, and required materials. You can also share your syllabus with others if needed. This article will show you how to access your syllabus in D2L, confirm that you have reviewed it.

Accessing Your Course Syllabus

To access your course syllabus, click on the **[Syllabus]** link in the **Navbar.**



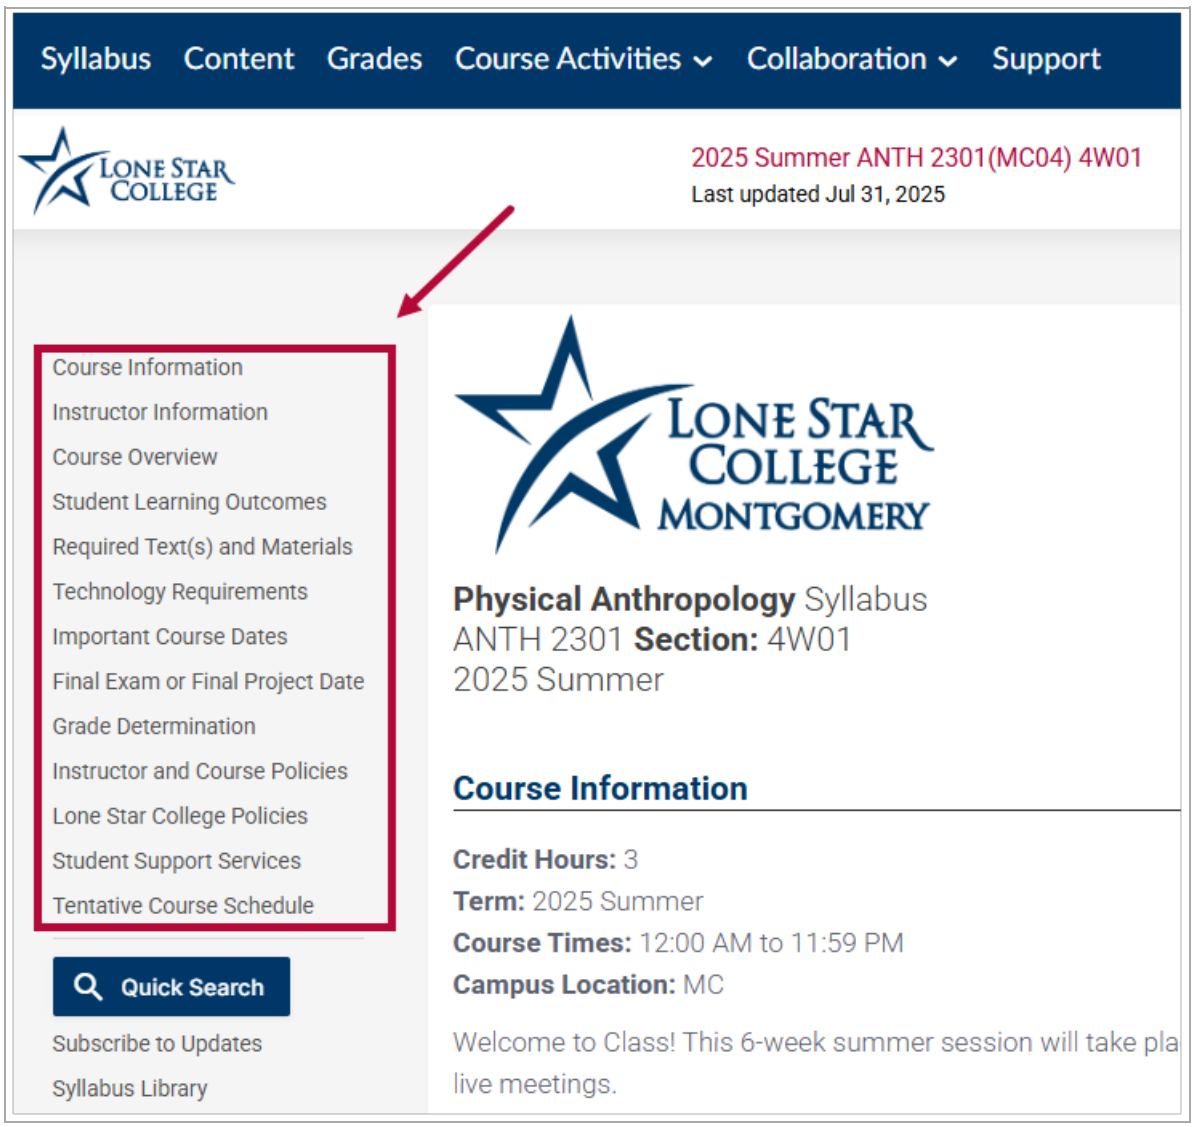
NOTE: The LSC Simple Syllabus (https://lonestar.simplesyllabus.com/) page also provides access to any syllabi outside of D2L. Syllabi for Lone Star College courses completed prior to Fall 2025 are available on the Syllabus/Vitae Search (https://www.lonestar.edu/syllabus-vitae.htmhttps://www.lonestar.edu/syllabus-vitae.htm) page.

Reading & Acknowledging Your Syllabus

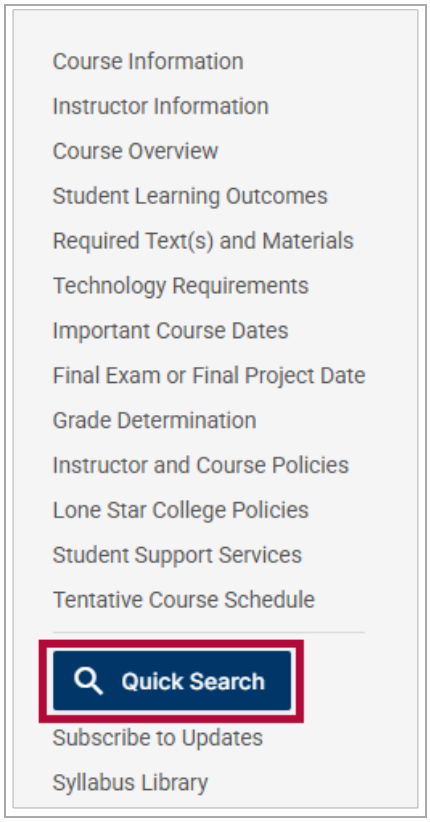
When you first open your syllabus, you may be prompted to acknowledge that you have read the syllabus after reading through *the entirety of the syllabus*. For students that acknowledged reading their syllabus, the instructor will see a **green checkmark**.

Navigating Your Syllabus

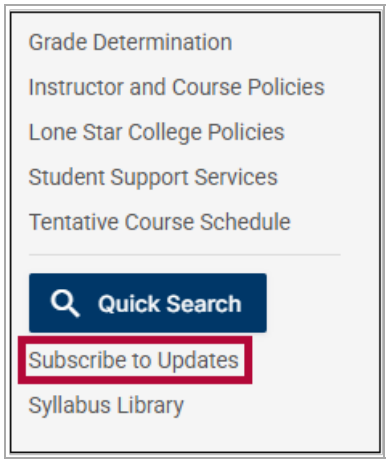
You can use the menu on the left to navigate to the various sections of your syllabus.



Click **[Quick Search]** to search within the syllabus.



We strongly recommend that you enable **[Subscribe to Updates]** to receive email updates any time the syllabus is updated.



You can select the **[Syllabus Library]** link to view other Lone Star College syllabi that were published via Simple Syllabus. For courses completed prior to Fall 2025, you can find the syllabi on the Syllabus/Vitae Search (https://www.lonestar.edu/syllabus-vitae.htm) page.
