SafeZone (https://safezoneapp.com/) is a FREE personal safety app for all Lone Star College students, faculty, and staff. It quickly connects you directly to LSC Police (https://www.lonestar.edu/campus-police.htm) and other resources.

Key Features:

- **Safety Alerts and Notifications**
  Stay informed with campus-specific safety updates.

- **Emergency Help**
  Tap the "Emergency" button to send your exact location to LSC police dispatch instantly.

- **Report Threats and Crime**
  By clicking "Report A Tip" you can quickly report threats and crime tips.

- **First Aid Assistance**
  Tap the "Med Emergency" button to request help for medical concerns.

- **Check-In Timer**
  Working late? Use this feature as a virtual escort. Start the timer before you walk to your vehicle-your location is shared while it's active. If you don't stop the timer after you're safely inside, dispatch will be notified.

- **Wellbeing Assistance**
  Quickly connect by phone and text message with local mental health and crisis resources.

- **Non-Emergency Calls**
  Easily message or call campus police for non-emergency help.
